### Brisbane Warehouse Shopping Tours

Brisbane Warehouse Shopping Tours organises shopping at Warehouses and Factory Outlets throughout Brisbane and the Gold Coast.

Customers are taken to the doorsteps of the best bargains in Brisbane. The warehouse savings can be as much as 70 per cent below retail prices. You can clothe the whole family for one third of the money you would spend by shopping retail. The value is unbeatable.

One of the big benefits of warehouse shopping is the convenience of being chauffeured around all day in luxury air conditioned vehicles or coaches in the company of a fully trained host. The choice of outlets visited by a group can include fashion for ladies, men and children, lingerie, handbags, shoes, cosmetics and perfumes, gifts, homewares and manchester, kitchenware, toys and confectionary.

Whether as a member of a group, or as an individual on the day, everyone has an opportunity to hunt down the best bargains! Arrangements can be made for city hotel pickups. All tours provide morning tea.

As a visitor, you want to shop – not spend hours getting lost in unfamiliar localities. With this tour, your day is free of all the problems that shopping brings – traffic, parking, carrying parcels and aching feet.

With their local knowledge, you'll go places you'd normally miss and you'll enjoy a more productive, fun-filled day. You'll enjoy a full day tour to genuine wholesalers, manufacturers and discounters. Everything is organised. They even take into account your age group and choice of shopping.
